FREQUENTLY ASKED QUESTIONS

What do I do if I don't know my ticket login information?

If you don't know your password, select "Reset Password" on the Account Manager login screen. Enter the email associated with your Sacramento Republic FC account and you'll be sent an email to reset your password. If you have trouble, please call us at (916) 307-6100.

What is variable pricing and how does it affect my Membership?

All tickets for 2022, including your Membership tickets, are based on a variable pricing model – the pricing of your ticket varies from game-to-game, based upon several factors. The reason for this is to ensure that Members receive the most value for the most desired tickets in their package.

What type of Member events are offered?

Our Member Services Team will plan exclusive events throughout the year including our annual Meet the Team event and many more. You will be notified via email or phone call as the events are scheduled.

When does my Membership renew for the next season?

Indomitable Members will be charged on September 1 for the following season unless the club has been notified by you previously. Members will be sent new season pricing, benefits and other information via email no less than 30 days prior to the review window closing on August 31. During the review window, Members may opt-out of renewing their seats for the upcoming season and will not be charged.
